Hi Sally, I added the NM items and also WSA items but I think it would be good for Peter or Bob to double check the wording for WSA. Let me know your thoughts.

Can you add these to the edited version I sent you and then I'll send to Cindy and copy you. And you can forward to anyone who should get it too.

Thanks, Sally

National Monuments/National Conservation Areas and Similar Designations

- Does the RMP identify the resources, objects, and values (ROV) for which the NM/NCA was designated, and how those ROVs will be managed?
- Are all land use planning decisions in the RMP consistent with the purposes and objectives of the designating proclamation or Act of Congress that established the NM/NCA?
